(3)Album Options Page

The image shows a UI mockup for an 'Album Options' page. It features a large empty square on the left for an album cover. To the right, under the heading 'Details:', are three input fields for 'Album Name', 'Number of Photos', and 'Range of Dates'. Below these is a grey square labeled 'Album Preview' with blue corner handles. At the bottom are five buttons: 'Create Album', 'Delete Album', 'Rename Album', 'Open Album', and 'Album Search'. Arrows from external text labels point to various parts of the interface: 'Album Options' points to the entire form; 'View Collections of Albums' points to the 'Album Name' field; 'Selected Album Details' points to the 'Album Name' field; 'Album Details' points to the 'Album Preview' area; and a descriptive note points to the 'Album Search' button.

(4)View Album Page

The image shows a UI mockup for a 'View Album Page'. It features a large white rectangular area at the top left, which is pointed to by an arrow labeled 'List of Pictures in Album'. Below this area is a grey square with blue corner handles, representing a 'Selected Picture Image'. To the right of the grey square is a 'Move Picture To' dropdown menu. Further right is an 'Add Picture' button. To the right of the button are four input fields labeled 'Name', 'Date', 'Caption', and 'Album name'. To the right of these fields is a 'Tags' section containing a table with 'Name' and 'Value' headers. The table is currently empty, with the text 'No content in table' in the center. An arrow labeled 'Photo Tags with name and value' points to the table. Another arrow labeled 'Add picture' points to the 'Add Picture' button. An arrow labeled 'Picture details' points to the 'Date' input field. An arrow labeled 'Selected Picture Image' points to the grey square. The entire form is enclosed in a light grey border with a brown outer frame.

Start Date

End Date

Diagram description: A wireframe of a 'Picture Search' page. The page has a light gray background. On the left is a large white rectangular area. On the right is a search panel with a light gray background and a yellow border. At the top of the panel are two tabs: 'Search by Data Range' (active) and 'Search by Tag'. Below the tabs are two text input fields labeled 'Start Date' and 'End Date'. Blue L-shaped handles are visible at the corners and midpoints of the search panel's border.
